PETITION
REQUESTING REFUND

Sir:

On May 24, 2004, a Final Office Action (Action) was mailed in this application.

A Response To the Final Office Action and Request For Reconsideration was filed August 24, 2004 (Response) and included a request that final status of the action mailed May 24, 2004 should be withdrawn since the Action was incomplete in that the Action did not respond to many of Applicant's arguments previously filed, including the nonapplicability of the art,

A Notice of Appeal was also filed on August 24, 2004.

After filing of the Response:

1) A call was made to the United States Patent and Trademark Office (USPTO), specifically to the Examiner, requesting the status of this application by Applicant's counsel on December 6, 2004. The Examiner stated that he had not yet completed examination of the Response;

2) Another call was made to the Examiner on January 25, 2005. The Examiner indicated that he has reviewed the Response and had decided to withdraw the finality of the Action and reissue a new non-final Office Action; and

3) Another call was made to the Examiner on March 23, 2005 who indicated that the nonfinal Office Action was still forthcoming and to consider any delay in prosecution on the

Serial No. 09/158,076

part of the USPTO, and that the same would also be documented in an Interview Summary.

An Advisory Action was never mailed nor was an Interview Summary provided.

Since an issue of an action was never provided by the Examiner to keep the application alive, a Request for Continued Examination (RCE) along with a Petition for an extension of time for an additional five months was filed on the fully extended deadline of March 24, 2005.

Because of the delay in processing the Amendment by the USPTO, the RCE and extension of time fee had to be filed. The delay by the USPTO was the proximate cause for the extension and the RCE. The RCE (\$790.00) and the petition for five-month extension of time (\$1240.00) caused unnecessary fees of \$2,050.00.

It is requested that the fees for the RCE and the extension of time in the amount of \$2,050.00 be refunded. total.

Accordingly, it is respectfully requested that the above-noted amount be credited to Deposit Account No. 19-3935 and that the Patent Office acknowledge this credit in writing to the undersigned.

Respectfully submitted,
